

Central Iowa Training Association and Kirkwood Community College

TO: Potential Fire School Instructors
FROM: Kim Fensterman, Program Manager

We are currently planning for the 32nd Annual CITA-Kirkwood Fire School, scheduled to be held on September 22 and 23, 2018. We are looking forward to this year's fire school and hope to continue our success through instructors like you.

If you are interested in teaching at our Annual Fire School, please fill out the attached form and return by **March 2, 2018**. Once the committee reviews the proposals I will then return an e-mail or phone call as confirmation for your course.

In the mean time if you have any questions or concerns please contact me at
